LOUISVILLE

Millard Fillmore,

FOR VICE PRESIDENT Andrew Jackson Donelson.

WEDNESDAY, APRIL 23, 1 A M

uph over his e-rule foen. The affair at Sa , according to the exaggerated reports of The Daily Journal bas much the e Costa Ricars thems lves, was evid largest circulation in the city and douing but a sudden retreat under the pressu ble the circulation in the country of any other daily paper printed in Louisv.lle; and the Weekly Journal has much more a far superior force, and necessarely in ly the exercise of discretion where a sho valor might have been madners. It was] than double the circulation of all the osbiy not at efeat so much as a stroke of 1 other weekly papers in Louisville put It was rather the crouching of the ti e aralory to a deadly spring than that of th others, have within the last three days with ut or run, as we have little doubt that th blush beyond dispute. It is surely incredit

Several citizens of Louisville, merchan drawn their subscriptions and advertising fro the Louisville Democrat. From their notes o withdrawal, we see that only in one inc the reason for withdrawal assigned. In all the other cases the writers simply give notice, it man as Walker, sho ld he summsrily v terms of strict courtesy, that they do not wish to take the Louisville Democrat or advertise

ers of withdrawal and the names of the wrl n hie columns. His object is to hold the wr ters up to the indignation and wrath of hi s; and we see that one of his correspond ing the diversion of a great deal of cui rom hem. We have always thought, and of e aid, the the practice some ed tors have of pul an a becribes for a newspaper, there is red quiet y to wi hdraw without have or the editor disapproves what he suppos o be the motive of withdrawal, and modes me will be very careful how they be ake a paper that he can't get rid of without langer of being blacks arded and threaten Hercules would never have put the shirt d take it off when he liked without having er money at the door of a circus and

The e tor of the Democrat keeps in his co s the names and letters of certain gentleme for the alleged reason that they have stoppe their euhocr ptions on account of his representations as to the decline and ruin of Louisville o not say whether they have stopped on the account or not, for they consider ver roperly that they are u der no obligation to n er him a reason. They justly feel that ons are cone of his husiness. But doubtedly any person who should for whatever discontinue his sub ription to the Democrat at this time would to explain the nature of the couspass of having his name paraded before the iblic and hearing the community invoked for es men of Louisville choose to withdraw reuing a course calculated and intended to rity of their city-if they choose to disce osition gives him to spread blight and deva-aover all brarches of industry around him, they are most a suredly acting upon as goo and substantial and powerful and pariotic a Agaiteman just return d from a husiness tou cas as could we libe curgested to the human through portrone of fire different States, with

nts of the oth of August were false and cal- down, so that it will not be worth our while to blown off the engine, but not injured. culated to do them and the city a vest amount of in ury. At one of their regular meetings they quietly appointed a committee to express to him the hope that he would not persist in so they quietly appointed a committee to expirest to him the hope that he would not persist in so figurious a course. The committee performed their duty, and he denounced both the meeting and the committee for what he considered their presumption in making suggestions to him as to the management of his pap r. They did however hut what they had a right to do. He, as an editor, assumed to advise all political persists and all classes of busitees men as to the policy they shall pursue, and we think that men are just are little guilty of presumption in making respectful suggestions to him, especially where their businese is concerned, as he is in making suggestions to them. It was the right and the duty of our husiness men to ask him to desist from a course of conduct that they knew to he fearfully mischievous in its if decreas, and, when he met the request with refusal, defiance, and insult, they would have hene wanting not only in regard for the public good hut in self-respect and in manhood if they had cold the dotted to sustain his pestilent and lying sheet. Their quie' withdrawal gave him no right to drag them individually hefore the

OBSERVER.

STKAMBGAT BURNT—Georgians Lost—Mr.

B. H. Clark, formerly of Troup county, Ga., writes us from Alexandria, La. (April 2), that a fracas occurred on hoard the estamboat Bellitair, about three miles above the junction of the Ward and Mississippi rivers, between the light hoat hands and the deck passengers; the captain immediately commanded the peace, and order was restored until the boat reached the Mississippi, when the fight again commenced, resulting in blootly work on both sides.

During the fracas, or shortly after, the boat took fire and was destroyed, making a loss of the deck passengers lost—either in the flames or by drowning, the following from this State are larged to the trouble of correcting them, its one main took fire and was destroyed, making a loss of the Mississippi, when the fight again commenced, resulting in blootly work on both sides.

John C. Mathews, of Randolph county, Ga.

More Fires—On Monday afternoon, the last of the Mississippi is altaced to every single word; and where zo many inferences, and the same and the last of the millions to whom our easier has been and affired barrels of the Bible are of far greater moments and failty barrels of only, the stables and crih of Mrs. McLean, some twe miles south from Slebyville, were destroyed by fire, with their centents, of the Bible are of far greater moments and the part of the stable of the millions to whom our easier has been added to be a stable of the millions to whom our easier has been added to be a stable of the millions to whom our easier has been added to be a stable of the million
